Tips on Labeling Quilts and Sewn Projects

Take a photo of your finished quilt and it's label Start a photo album or quilt journal/album Have you always labeled your quilts and was there an evolution in your label process? My main motivation for buying an embroidery machine (around 1997) was to document my quilts Nothing endures the test of time better than thread

Clues in the Quilting - QuiltersWorld

Signature quilts, also known as autograph or friendship quilts, were created with great gusto by quilters who copied the 1800s autograph-album fad Presented as gifts to brides and special community members, or made in memory of loved ones, these quilts often included signatures of church members or entire families Before 1900, they were usu-

Classroom Quilt

to represent their vacation/vacation video This could take many forms such as a photo album, an advertisement for their video, a storyboard that represents something that happened on their trip, etc Have each group show their poster to the class and briefly explain how it represents their vacation Hanging these posters around the classroom

MichiganTimeTraveler

Commemoration Quilts: Women also took pride in making quilts for special occasions They made bridal quilts for a daughter's wedding chest and keepsake quilts from bits of clothing belonging to family members or friends Members of a congregation often made album quilts as a gift to the minister's wife, with the names of the congregation
